

# SEEDS OF HOPE

עם ישראל חי

MORE THAN  
**1200**  
MURDERED

The October 7th tragedy wounded the hearts of the Israeli people and Jewish people worldwide.

This is the time for us to join together to recover, rebuild, grow stronger and once again thrive.

On this Tu BeShvat, we raise our heads, join hands, and grow as a nation. We strengthen our roots and sow seeds of hope.

MORE THAN  
**12200**  
WOUNDED

Even during these challenging times, of pogroms and antisemitism, we do NOT give up and remember the power of Growth.

Even when our star of David is pierced, we brace our shoulders; we sow, we plant, and we tell the stories of sacrifice and courage.

We remind ourselves and our children that the people of Israel live on. (Am Yisrael Chai)

## TOGETHER WE SOW SEEDS OF HOPE

In cooperation with the ministry for Diaspora affairs and combating Antisemitism and JNF, Tu Bishvat events will be held worldwide.

Each participant will receive a plant that will allow them to connect to the many stories of bravery and courage of Israel at war. Scan the barcode, hear the stories, share them with friends and family and become part of the Jewish spirit
